

Kurzweil 3000 v4 for Macintosh Foundations: Online Self-Study Workshop

WHAT IS IT?

In this self-paced online training, you will explore the reading, writing, study skills, test-taking and scanning features of Kurzweil 3000 Version 4 for Macintosh and learn how to apply them in the classroom to effectively support learning.

WHO SHOULD ATTEND?

This online course is primarily designed for educators but is appropriate for adult students as well. It assumes little to no experience with Kurzweil 3000.

WORKSHOP PREREQUISITES

- Familiarity with opening, editing and saving files in a computer operating system.
- Ability to navigate between multiple computer programs.
- Computer with high-speed internet access.
- Computer with Macintosh Operating OSX 10.4 or higher

LEARNING OUTCOMES

Participants will be able to:

- Use reading features, including reading speed, reading unit, and voice options to accommodate student abilities and learning styles
- Access word support and reference tools to build vocabulary and improve decoding skills
Use study skills tools including highlighting and text annotations to facilitate active learning and complete worksheets and tests
- Use writing tools, to support students through all stages of the writing process to help students become better writers and editors of their own work.
- Access and read existing digital materials and the vast resources of the Internet; and create digital curriculum by scanning

WHAT IS THE COST?

Fee is \$175 per person
Allows access to the course for up to 3 months.

HOW DO I REGISTER?

- Full payment by credit card, PO, or check is required before you receive your login information.
- Please complete the following registration and payment form and fax it to:
Cambium Learning Technologies 781-276-0643

If you are paying by check, please fax the form and check to 781-276-0643 then mail both to:

Cambium Learning Technologies
Regional Workshops
1223 Wilshire Blvd, Box 159
Santa Monica, CA 90403

If you have any questions about the workshop or registration, please contact Sara at 800-894-5374 x626 or sara@kurzweiledu.com

PARTICIPANTS RECEIVE

- Training Materials will be provided as .pdf files in our online course environment. They are designed to support the learning process both during and after the workshop. If needed, you may print these files for your own use ONLY.
- 6-8 hours of self-paced training in the use of Kurzweil 3000.
- User-specific log-in to our online learning environment.
- Certificate of completion

ABOUT ONLINE LEARNING

- The course is divided into multiple mini lessons. Each lesson will include:
 - A short lecture and video demonstration
 - Opportunity for hands-on practice
 - Short quiz to demonstrate understanding.
